CREATIVE PROBLEM SOLVER BASED IN DENVER, CO **LEARN, CREATE, ITERATE**

ONETRUST | 2024-PRESENT

STAFF UX DESIGNER

Design system IC lead, owning the refinement, creation, and implementation of the OneCore design system

Established design standards, components, and patterns, improving cross-functional efficiency and consistency across design, engineering, and product

Advocated for best practices through peer leadership by mentoring and educating other designers on how to leverage and contribute to the design system

Participated in high-level strategic product direction

WISTIA | 2022-2023

LEAD PRODUCT DESIGNER

Hybrid role as an IC and design manager, and product pillar lead, owning design for two workstreams

Participated in high-level strategic product direction

Inspired a company culture shift with a focus on increased velocity, confidence, and shipping iteratively

Proposed and created a centralized research repository, making a decade of research actionable and accessible

EDUCATION ALWAYS LEARNING

M.S. BIOMEDICAL VISUALIZATION

2016 | University of Illinois at Chicago

WEB DESIGN, BIOLOGY, ANATOMY

2011–2013 | Wayne State University

B.A. STUDIO ART, PSYCHOLOGY

2010 | Kalamazoo College

ORUM | 2023-2024

SR PRODUCT DESIGNER

Design systems lead, owning the customization, strategy, management, and implementation of an MUI based design system for a series B startup

Advocated for and built a small team of engineers, directed work, and established a culture of open, transparent communication and frequent feedback

Peer leader and design ops owner, educating, documenting best practices, participating in UX critiques, and bridging the gap between cross-functional teams

LAUNCHNOTES | 2020-2022

SR PRODUCT DESIGNER

Founding product designer at a seed stage startup

Owned design across the entire company, leading the strategy, ideation, and end-to-end execution of projects

Hired and managed a small multi-disciplinary design team and established and defined a design culture

Created a design system and interaction patterns to ensure brand, visual, and interactive cohesion

WHAT I DO WHAT I LOVE TO DO

Product Design	Accessibility	Figma
Design Systems	Illustration	HTML/CSS
User Research	UI Animation	Adobe Suite
Peer Leadership	Brand Design	GitHub
